Continuity of Operations Planning (COOP) Web Sessions Central Florida Disaster Medical Coalition

BOLDplanning appreciates the opportunity to present the Central Florida Disaster Medical Coalition members, who have created a Continuity of Operations Plan (COOP) using the BOLDplanning software, with one-on-one web sessions to review and improve their plan. These Web Sessions will provide Continuity Planners an opportunity to meet with BOLDplanning Subject Matter Experts for one hour and will allow each Planner to discuss any questions or assistance they may need regarding their Continuity Plan.

These one-on-one Web Sessions are to be completed by **May 31, 2022**.

Please use the link provided to register for a One-on-One Web Session with BOLDplanning Subject Matter Experts.
