

## **CENTRAL FLORIDA CYBER COALITION (CFCC) BECOME A MEMBER!**

### **CFCC Mission**

The mission of the CFCC is to foster a collaborative environment that enhances Cybersecurity preparedness and response across the East Central Florida area: **Brevard, Lake, Orange, Osceola, Seminole, and Volusia Counties.**

The CFCC engages various governmental, public, private, and non-profit stakeholders to build, strengthen, and sustain comprehensive cybersecurity capabilities, supporting efforts to Prevent, Protect against, Mitigate, Respond to, and Recover from Cyber threats and attacks.

### **Who should Join?**

Seeking individuals and organizations representing cybersecurity and emergency management across the various membership categories within the CFCC's boundaries.

### **What are Membership Benefits?**

Becoming a member of the CFCC means more than just being connected, it means having the tools, partnerships, and resources you need to stay ahead of today's evolving cyber threats. Membership gives you access to a trusted network where collaboration turns into action and challenges turn into shared solutions.

- Information sharing and coordination
- Cyber alert response actions and best practices
- Plans, policies, and procedures
- Buying power and joint procurement opportunities
- Exercises (participation, cooperation, lessons learned)
- Training and coordination
- Local, Regional, State, and Federal collaboration

**Join the CFCC and help  
shape the future of  
regional  
cybersecurity.**
