

We are seeking volunteer management (VM) staff for the 2023 Region 5 full scale hospital mass casualty exercise. VM staff manage the victims and other volunteers for the exercise. There will be multiple sites across the region, managing more than 1,500 victims, so we need your help!

Why is this important?

Following the response to the Pulse mass shooting in Orlando, a physician stated:

“This year’s exercise saved lives today.”

2023 Region 5 Full Scale Exercise

Date: Thursday, April 20, 2023

Location: Assigned to specific sites within the region (e.g., hospital, coalition, etc.)

Time: Varies depending on site – most begin at 6 am and will finish by 9 am

An exercise t-shirt and a certificate with 8 hours of community service hours will be provided for volunteers.
