

## **CENTRAL FLORIDA DISASTER MEDICAL TEAM (CFDMT)**

- CFDMT is a volunteer disaster response team supporting East Central Florida
- CFDMT has enrolled in the **amazon smile** program
- If you use the link below for your Amazon shopping, and select Central Florida Disaster Medical Coalition (CFDMC) as your designated charity, 0.5% of every eligible purchase is donated to CFDMT
- You may also add the CFDMC as your preferred charity in the **Amazon App** and they will ask that you confirm it twice each year
- There are no extra fees or hidden costs and the donations come from Amazon to the CFDMT
- You must use the **smile** platform every time you shop, or the transactions will not count. After each purchase a message will appear stating that a donation has been made so that you know the CFDMT selection is correct.
