About

The Florida Crisis Response Team, Inc. (FCRT), a state team of The National Organization for Victim Advocacy (NOVA), was established in 1987 as an organization of volunteer crisis interventionists, educators, victim assistance specialists, law enforcement, clergy, and allied professionals, who volunteer their time and talents to assist individuals and communities in Florida. The FCRT is committed to meeting the emotional needs of traumatized victims of disasters, crime and terrorism.

A 40-hour basic NOVA CRT training is being offered in:
Titusville, Florida, January 26th - 30th, 2026

The training will allow individuals the opportunity of receiving the required instruction to become a Florida Crisis Response Team member. The basic CRT training provides a comprehensive study of the elements of the crisis response while also offering practical experience through exercises and skills implementation. Based on a widely accepted model of psychological first aid developed by NOVA, this training allows individuals to respond directly to community and individual crises.
