

Hazmat Sponsorship Opportunity for Emerging Technicians

Are you a Florida hazmat technician with up to 5 years of experience, eager to advance your skills and knowledge in the field? We are excited to announce a sponsorship opportunity designed specifically for professionals like you.

Sponsorship Details

CBRNe World are offering **full sponsorship** for a select number of hazmat technicians to attend the upcoming **CBRNe Convergence 2024 in Orlando, Florida**. This premier event is an excellent platform to learn about the latest advancements, engage with experts, and network with peers in the hazmat community.

What the Sponsorship Includes:

- **Free admittance** to the CBRN Convergence conference.
- Access to **exclusive workshops and seminars** led by industry leaders.
- Opportunities to **network with top professionals** and organizations in the CBRN field.
- A chance to stay updated on the **latest technologies and best practices** in hazmat response.

Eligibility Criteria:

- Must be employed by a Florida agency (e.g., fire department, law enforcement agency, department of environmental protection, etc).
- You must be a hazmat technician with **up to 5 years of experience**.
- You should demonstrate a **strong commitment to professional growth** and a desire to bring back valuable insights to your team.
- We especially encourage applications from individuals from various minority groups. While this is not a requirement, we believe in promoting diversity and inclusion within the hazmat community.

How to Apply:

1. **Prepare a Proposal:** To apply for this sponsorship, submit a brief proposal stating (500-word limit):
 - **Your experience** and achievements in the field.
 - **Why you want to attend** the CBRN Convergence.
 - **How your attendance** will benefit your station and enhance its hazmat response capabilities.
2. **Submit Your Proposal:** Proposals should be submitted to zoe.rutherford@cbrneworld.net for review.
3. **Include the name and contact details of your training chief or hazmat team lead.**
4. **Selection Process:** A select group of Florida hazmat professionals from the East Central Florida Local Emergency Planning Committee will evaluate all submissions and

recommend candidates for the sponsorship. Final decisions will be made by CBRNe World representatives based on the proposal's merit and your overall qualifications.

Deadline for Submission:

Ensure your proposal is submitted to zoe.rutherford@cbneworld.net by **October 7th 2024**

Don't miss this opportunity to take your hazmat career to the next level! This sponsorship could be your gateway to becoming a leader in the field.
