TGH Tampa General Hospital | COMMUNITY HEALTH & WELLNESS

TUESDAY, OCTOBER 27, 2026 | 12:30 – 1:00 P.M.

Ask An Expert Series: Live Q&A

HOLIDAY HAZARDS & POISON PREVENTION

The holidays are filled with festive foods, decorations, gatherings, and fun, but they can also bring unexpected poison hazards into our homes. Everyday items that are part of the season can pose potential risks, especially when routines change, guests are visiting, or children and pets are nearby. Knowing what to look out for and how to prevent an accidental poisoning can help you feel more prepared and enjoy the holidays with greater peace of mind.

Join Alexandra Funk, PharmD, DABAT, FAACT, Managing Director of the Florida Poison Information Center - Tampa, to learn about common holiday poison hazards, what to watch for, and simple steps you can take to help keep you and your loved ones safe.

The live presentation will be on TGH's Facebook page and YouTube channel from 12:30 – 1:00 p.m. Please pre-register to submit any questions.

For more information on this event, email communityevents@tgh.org or call (813) 660-7686.

Presenter:

Alexandra Funk, PharmD, DABAT, FAACT
