

CDP Virtual Training Opportunities

Florida Healthcare Coalition

March-July 2024

- You **must** have a FEMA SID before applying for a course.
 - To register for a FEMA SID number, go to: <https://cdp.dhs.gov/FEMASID> and click “Register for FEMA SID” or “Forgot FEMA SID”
 - If you encounter any issues, please contact the FEMA SID help desk at: femasidhelp@cdpemail.dhs.gov
- Registering for a FEMA SID number **does not** register you for a class
- All students **must** register using the links below
 - If you encounter any problems registering, please contact VILT Support at: VILTSupport@cdpemail.dhs.gov

Prehospital Mass Casualty Incident Operations (HCV15)

The Prehospital Mass Casualty Incident Operations course prepares participants to effectively respond to mass casualty incidents (MCI). Emergency medical service (EMS) responders may provide emergency medical care during an MCI. During the response phase, EMS responders perform life-saving procedures in the warm and cold zones of the incident. In addition, they must use appropriate personal protective equipment (PPE) while providing casualty triage, treatment, and transport.
