

**“This year’s exercise saved lives today,” an Orlando Health physician said, following the Pulse mass shooting response.**

**You can help keep our hospitals and emergency response system ready to respond. We are seeking individuals to serve as evaluators and controllers in the 2023 Region 5 full-scale mass casualty exercise. This is a great opportunity to play a part in preparing Central Florida’s response capabilities. See next page for duties.**

# Controller & Evaluator Duties

**The Coalition is seeking volunteers who are fully vaccinated for COVID-19 and willing to wear a mask throughout the entire duration of the exercise**

## Controllers

- Set up and operate the exercise site
- Plan and manage exercise play
- Act in the roles of response individuals and agencies not playing in the exercise
- Controllers direct the pace of exercise play
- Manage injects
- Manage actors
- Manage venue safety

## Evaluators

- Evaluate and provide feedback on a designated functional area of the exercise
- Assess and document participants' performance against established emergency plans and exercise evaluation criteria
- Evaluators play a passive role in the exercise and only note the actions of players; they do not interfere with the flow of the exercise
