

Reginald Kornegay is the Emergency Manager for the Orlando VA Healthcare System, where he maintains the organization's regional mobile support capabilities for the VA VISN 8 network of 7 VA medical centers throughout Florida. He founded and leads the VA's Emergency Response Team in Orlando that responded and provided support for the Pulse Night Club shooting. Mr. Kornegay has worked for the Department of Veterans Affairs for nearly 25 years, in the fields of Emergency Management, Occupational Safety, and Law Enforcement. He holds a Master's Degree in Strategic Security Studies and a Counter-Terrorism Fellow from the National Defense University-College of International Security Affairs. He also holds a Master's Degree in Business Entrepreneurship, where he has put it to use, as a business owner in the fields of senior health services, wellness, bio-technology, commercial real estate, and business continuity. Mr. Kornegay is a certified Emergency Healthcare Professional and a certified specialist in both Emergency Management, and Violence Prevention.

Reginald Kornegay is a decorated career Army officer (Colonel -USAR) of over 28 years of service, with expertise in civil governance, strategic security cooperation, humanitarian assistance, and stability operations. He has performed strategic military operations in 5 continents, working with partner nation governments on preparation and response to natural and man-made disasters, as well as supporting initiatives to increase regional security in some of the most volatile places on the globe.
