

### CFDMC 2022-2026 Strategic Plan

Attestation:
Approved by CFDMC Board
6-4-25

**CFDMC Vision**: To create and sustain a resilient community with a common purpose and voice, subsequently protecting and saving lives during disasters of all types and sizes

**CFDMC Mission:** To develop and promote healthcare emergency preparedness and response capabilities in RDSTF Region 5, including: Brevard, Indian River, Lake, Martin, Orange, Osceola, Seminole, St. Lucie, and Volusia Counties. The CFDMC will facilitate healthcare organizations and other partners in working together collaboratively to build, strengthen, and sustain a healthcare preparedness and response system within Central Florida and to assist ESF-8 (Health and Medical) with the National Preparedness Goal identified five mission areas: Prevention, Protection, Mitigation, Response, and Recovery as related to healthcare disaster operations.

### **SWOT Analysis**

### Strengths:

Regional Communication/Coordination/Collaboration (subject matter expertise, diversity and engagement among Board, working groups, core members, regional plans)

Response capabilities (equipment, teams)

Reputation (met all benchmarks/deliverables, the region and coalition are seen as leaders)

#### Weaknesses:

Sustainability (funding, Board)

Engagement (community leaders, remote counties, members)

Standardization (plans, equipment, training)

### **SWOT**

### Opportunities:

Engagement (bringing in resistant members, all CMS provider types)

Funding (finding additional funding streams, fundraising, etc.)

Continue to build/sustain capabilities to meet threats

#### Threats:

Climate change (weather events, infectious diseases, health disparities)

Loss of funding

Human resource challenges (across all member types, Executive Committee/Board)

### CFDMC Strategic Priorities & Objectives

- By June 2023, participate in ASPR sustainability assessment
- By December 2023, develop and implement a Coalition sustainability plan
- By January 2024, develop a Board succession plan
- By June 30, 2025, develop, implement and monitor a contingency plan for loss of federal funding

Ensure Sustainability Increase Member Diversity & Engagement

- By December 2022, implement a sustainable social marketing campaign
- By December 2023, increase number of county and city leaders who are Coalition members by 50%

- By June 2023, complete an assessment of regional healthcare systems and city/county environmental sustainability/resiliency strategies
- By June 2024, publish guidance on climate change and healthcare mitigation strategies

Address Climate Change Impacts

Build & Sustain Capabilities

- By December 2023, develop a plan to standardize plans, equipment, training, and exercising in at least one additional capability
- By June 2024, develop, implement and evaluate a campaign focused on increasing retention of the healthcare workforce

# Goal: Ensure Sustainability

| Objective  | Strategies / Lead   | Status  |
|--|---|---|
| By June 2023,<br>participate in ASPR<br>sustainability<br>assessment   | Participate in ASPR Sustainability Webinar Series; completed ASPR assessment January 2023 | Objective Achieved  |
| By December 2023,<br>develop and<br>implement a Coaliti<br>sustainability plan                                 | recommendations from ASPR   | Objective Achieved (see new objective re contingency plan). |
| By January 2024,<br>develop a Board<br>succession plan   | Included in governance document   | Objective Achieved  |
| By June 30, 2025,<br>develop, implement<br>and monitor a<br>contingency plan for<br>loss of federal<br>funding | retreat   | Draft plan developed; shared with members                   |

## Goal: Increase Member Diversity & Engagement

| Objective   | Strategies / Lead  | Status   |
|---|--|--|
| By December 2022, implement a sustainable social marketing campaign                                       | Completed pilot with IDX in 2022; increasing engagement on LinkedIn and Facebook                 | Objective Achieved   |
| By December 2023,<br>increase number of<br>county and city leaders<br>who are Coalition<br>members by 50% | Identify leaders to target. Identify Board/other members to do outreach Develop PPT / draft MOUs | Ask County EM/CHD Directors to identify county/city leaders Develop PPT Schedule presentations |

## Goal: Build & Sustain Capabilities

| Objective   | Strategies / Lead   | Status   |
|---|---|--|
| By December 2023,<br>develop a plan to<br>standardize plans,<br>equipment, training, and<br>exercising in at least one<br>additional capability | Identify all capabilities where we have regional standardization and value. Solicit input from members on high priority areas. Prioritize, select capacity, and recruit workgroup to develop plan (Board) | Objective Achieved (Standardizing communications using EMResource) |
| By June 2024, develop, implement and evaluate a campaign focused on increasing retention of the healthcare workforce                            | Recruit nurse for Board Explore retention best practices (e.g. Johnson & Johnson mentoring, UCF) Explore successful campaigns (e.g. Rosy the Riveter) Explore cross training opportunities (Board)        | Objective Achieved   |

## Goal: Address Climate Change Impacts

| Objective  | Strategies / Lead   | Status             |
|--|---|--------------------|
| By June 2023, complete<br>an assessment of<br>regional healthcare<br>systems and city/county<br>environmental<br>sustainability/resiliency<br>strategies | Identify SME workgroup to lead efforts Survey, forum to discuss/understand climate change impacts and plans | Objective Achieved |
| By June 2024, publish guidance on climate change and healthcare mitigation strategies  | Use input from surveys/forum, and best practices/research   | Objective Achieved |
